GIPS Newsletter: May 2010

New Q&As Posted on the GIPS Website
19 new Q&As have been added to our database providing additional guidance on the 2010 edition of the GIPS standards and Error Correction. These Q&As address topics such as early adoption of the 2010 edition of the GIPS standards, valuation, and risk, among others. Firms are reminded that compliance with the GIPS standards also includes adherence to all Q&As and other guidance. The new Q&As can be found by searching the GIPS Q&A database for a key word or for all entries dated after April 2010.

Current Volunteer Opportunities
Currently, all of the GIPS subcommittees are seeking volunteers. Subcommittee lists and descriptions are available on the GIPS website. E-mail standards@cfainstitute.org to volunteer for any of these important committees or to obtain more information.
