

Live GIPS® Webinar on Revised Supplemental Information Guidance

[Register](#) now for our live, free, and interactive GIPS webinar to discuss proposed changes to the *Guidance Statement on the Use of Supplemental Information*, which is due to be released for public comment in December; the public comment period will be open through 28 February 2017. We will review and provide clarifications on the revised guidance statement exposure draft. During the webinar, industry participants will have the opportunity to ask questions. To better accommodate participants located in various time zones around the globe, this webinar is being offered at two different times:

- 5 December 2016 at 12:00 p.m. US ET
- 6 December 2016 at 9:00 a.m. US ET
